

# DEVELOPMENTAL PLAYGROUP

Our playgroup caters for children aged between 18 months and 3 years, being led by a **Speech Pathologist** and an **Occupational Therapist**. Caregivers are taught how to apply language facilitation techniques at home and develop important gross and fine motor skills. Activities are therapy-based and tailored especially for those attending on the day. Playgroup is also valued as a peer support group, where parents can enjoy a coffee and a chat.

The playgroup program runs every **Tuesday and Wednesday** mornings for 8 weeks during the school term from **9.30am to 11am** at our base at **1-100 Walters Drive, Osborne Park**. This is a purpose built gym that your child will see as a wonderland of excitement!
