'Summer Fun' Programme

1-100 Walters Drive Osborne Park

Daily sessions Week 1 Monday 20 - Friday 24 January

8:30am –noon or 1pm -4:30pm (3.5 hour session)

Gymworks OT is offering a daily activity program where children attend a whole morning or afternoon to complete a range of activities in the gym, fine motor activities (writing, craft,cooking) and games that develop children's perceptual motor and thinking/problem solving skills. This will be a great opportunity to really work on children skills for an extended period. You may enrol for one or more days and can enrol for the whole week. Different activities and games will be held daily. There will be a morning tea break from 10:30am-11am OR if attending in the afternoon, afternoon tea at 3pm-3:30pm so you will need to provide something for your child to eat and drink.

Children will be seen in small groups of 4-6 with two occupational therapy students overseen by a Gymworks OT. This program will only be eligible for a small private health fund rebate under a group rebate.

Places are limited. Program will only run given sufficient numbers

Final confirmation will be given Monday 13th January and enrolments are required prior to this date. Late enrolments in January may be accepted if places are available

Cost \$130 per child per day
